INTEGRATING FORMATION PRAYER SEMINAR
Trauma, Attachment, Addiction, and the Development of the False Self

This seminar builds upon the Formational Prayer Seminar and offers advanced skills in Christian caregiving. The event includes teaching, modeling, group discussion, and training labs. It is open only to those who have completed the Formational Prayer course, students who are enrolled in the DMin in Formational Counseling program, or those who have attended the four-day Formational Prayer Seminar.

The Integrating Formational Prayer Seminar was formally known as the Formational Prayer Seminar Advanced. However, there is a significant amount of new material that has been added to this training event, as seen in the program topics below. Those who have attended the Formational Prayer Seminar Advanced in the past will be considered second-time attendees to the Integrating Formational Prayer Seminar and will receive the second-time attendee reduced rate.

Program Topics
• PTSD: A View From the Inside Out
• Attachment and the Brain
• Integrating Formational Prayer and Neurobiological/Emotional Development
• EMDR and Formational Prayer
• Addiction and Formational Prayer
• Integrating Formational Prayer in the Local Church

Date/Time

"As a Christian nurse working in mental health, I have seen that psychology alone does not usually bring total healing. The Christ-centered teaching of the Formational Prayer Seminar is helping me understand how the Holy Spirit works through the caregiver to bring inner healing, the missing piece in my work."

ELEANOR, RN

"The Formational Prayer Seminar is an insightful and life-giving opportunity for training in healing those with wounded hearts. I am profoundly grateful to Dr. Wardle for his open and honest approach blending sound psychology and biblical truth.

THOM, Pastor

"This is not a seminar — it is an invitation to an ongoing relationship with our Healer, Jesus Christ. I took this seminar to find healing for others and found it for myself."

KIM, Clinical Counselor
