I. Course Description

Field Education Courses
All students in the MAPCC, MAPT, MASF and MDiv degree programs are required to take Field Study courses. Students in MAPCC, MAPT and MASF will take 4 semesters (3 credit hours total); and MDiv students will take 6 semesters (4 credit hours total). Students in the MABCS degree program may choose to complete a BCS Internship in place of Field Study. Students in the MAC (Chaplaincy) program fulfill requirements through CPE Units and do not take Field Study. Each semester course of Field Study will require online class work along with a designated number of hours of field work in a ministry setting. Total hours of field ministry required for MAPCC, MAPT and MASF students is 250; total hours required for MDiv students is 400. All Field Study courses are offered fall and spring semesters; Field Study 2, 3, 4, and 5 are also offered summer session.

FLD 6602 Field Study 2 – Online ½ credit hour
Required for MDiv, MAPCC, MAPT, and MASF students. 75 hours of field ministry required.
This course continues the work begun in FLD 6601 Field Study Introduction. Students will continue to broaden and deepen their experience in ministry as they work at their Field Site and meet with their Field Mentor.
Prerequisite: FLD 6601

Further Description
This course focuses on the holistic development of the student. It encourages the integration of academic learning with the practice of ministry, while under the direct supervision of a Field Mentor. Field Study students are to have a Field Site where they can complete the required hours of practical ministry each semester, and a Field Mentor to supervise their experience. Most students will continue at the same site and with the same mentor as they had for FLD 6601. If you need help locating a Field Study Site please contact the Field Ed office immediately. If you are thinking of doing your Field Study in a non-traditional (non-church) setting, please contact the Field Education office.

II. Student Learning Outcomes

Student Learning Outcomes for Corpus of Field Study Courses
As a result of this course, students will be able to:
1. Not assessed
2. Establish communal and personal disciplines that nourish Christian spiritual and moral formation within the context of the student’s Field Study.
3. Display understanding and appreciation for persons of another culture.
4. Demonstrate critical theological reflection that is biblically faithful, historically grounded, contextually relevant, and integrated with life and ministry context of the student’s Field Study.
5. Not assessed.
6. Exhibit effective ministry skills relevant to intended areas of service in the context of the student’s Field Study.
III. Course Requirements

A. Textbooks and Other Materials
Required (same as FLD 6601):

B. Attendance
According to the Student Handbook, attendance at all class sessions is expected, unless the professor has been notified in advance and has approved the absence. Students should be on time and should stay through the duration of all classes. Any student missing more than six class hours (2 weeks) will be required to do additional work, receive a lower grade, audit or withdraw from the class, or be penalized otherwise at the discretion of the professor. For this Hybrid Online course, attendance includes time online, meetings with your Field Mentor, reporting ministry hours in your Hours Log(s), and participating in online group forums.

C. Assignments/Assessment of Student Learning
Ministry requires tracking multiple responsibilities, and doing so is part of learning in this Field Study course. Additionally, as an internship-based online course, there is more work required than might be expected from a strictly academic course of the same credit value. Balancing this workload can be challenging but is a good practice for the demands of ministry. Therefore, students are responsible to complete all assignments and keep track of what they have submitted.

Submitting Assignments for an Online BlueQuill Course:
- All assignments may be submitted one of three ways:
  1) Via the course Dropbox on BlueQuill
  2) As electronic files attached to emails sent to jswope@ashland.edu or sicenhou@asland.edu
  3) As hard copies mailed or hand delivered to the Field Education Office
- All assignments must be submitted on or before the due dates according to the Course Schedule.

Brief descriptions of all assignments are below; more information is available on BlueQuill. See the Course Schedule for due dates.

1. Meeting with the Field Education Director (mandatory but not graded)
   Students are required to contact the Field Education Office to schedule a meeting with the Field Education Director. This meeting must occur within the first three weeks of class and may be done (in order of preference) face to face, on Google Hangout or Skype, or by phone. The purpose of the meeting is to update, reconnect and look ahead. Meetings will last no longer than one half hour. See Course Schedule for due date.

2. 75 Hours of Ministry Practice (60% of grade)
   Students must complete 75 hours of service in ministry by the end of the semester. Students currently serving in ministry may continue to do so if their current position fulfills the requirements for a Field Site (most do). The main focus of the 75 hours of ministry in FLD 6602 will be the completion of a Development Plan. Instructions for Field Study are available on BlueQuill. Questions may be discussed in the student’s meeting with the Field Education Director.

The following forms are required to document your Field Study hours:
   a. Field Study Application (not graded, but required to receive credit for Field Study): You do not need to submit a new Application if you are continuing at the same Site with the same Mentor as your previous Field Study course. If you are changing your Field Site and/or Field Mentor, please resubmit a new Field Study Application. More information is available on BlueQuill. Applications must be signed by the student’s Field Mentor. Due ASAP, no later than the 3rd week of class. See Course Schedule for due date.

   b. Field Study Hours Log (20%): Students will track their hours on a Field Study Hours Log form and submit it at the end of each semester they are in Field Study. Follow the template and instructions provided on BlueQuill. Hours Logs must be signed by the student’s Field Mentor. Forms are available on BlueQuill or at the Field Education Office. Submit near the end of the semester; see Course Schedule for due date.
c. **Field Mentor Meetings (Assessed on Hours Log):** Students will meet regularly (no less than every other week) with their Field Mentor. *These meetings must be clearly recorded on the Hours Log!*

d. **Student Progress Report (20%):** Students will submit a Progress Report at the end of each semester they are in Field Study. Forms are available on BlueQuill or at the Field Education Office.
Submit near the end of the semester; see Course Schedule for due date.

e. **Field Mentor Evaluation (20%):** Students must have their Field Mentor submit a Field Mentor Evaluation each semester they are in Field Study. Forms are available on BlueQuill or at the Field Education Office.
Submit near the end of the semester; see Course Schedule for due date.

All forms needed for Field Study are available on BlueQuill, on the ATS home webpage (click on Downloads and then find “Field Education”) and in the Field Education Office. All forms should be submitted either electronically or as hard copy to the Field Education Office.

3. **Online Reflection Groups (20% of grade)**
Students will participate in weekly online written threaded forums in groups of 5-9 students. Forums are asynchronous (students do not have to be online at the same time) and occur though BlueQuill. Forums will follow a similar pattern each week and require the student to respond to information, prompts, and questions that arise from the text, class materials, and ministry experience. All information regarding the forums, their requirements and grading, may be found on BlueQuill. Participation is tracked weekly and the instructor will provide helpful feedback throughout the course. A final grade will be based on the “Reflection Group Rubric” available on BlueQuill.

**Weekly Rhythm for Posting:**
- a) Prompt is activated **Monday before noon**.
- b) Students read prompt and make **first post by midnight Tuesday**.
- c) Students read others’ first posts and respond to at least three **by midnight Thursday**.
- d) Students are free to exchange ideas as long as they choose.
- e) Students make a **final reflective post by midnight the following Monday**.

Further instruction and information regarding online Reflection Groups is available on BlueQuill.

4. **Student Self-Assessments (graded through Reflection Group forums)**
Students will complete two self-assessment instruments: one regarding general ministry skills (General Ministry Self-Assessment) and the other regarding specific ministry experience (Specific Skill Self-Assessment). These assessments will provide students with information to share and process in the Reflection Group forums, as well as help them determine their goals for their Development Plan. Detailed instructions for these assessments are available on BlueQuill. See the Course Schedule for due dates.

5. **Development Plan (20% of grade)**
Students will choose to do one of three options for a Development Plan: either Leadership skills, Pastoral skills or Relational skills. Development Plans will include submitting a Development Plan Proposal in order to receive approval for the plan, followed by the submission of a Development Plan Reflection after the plan has been completed. The two self-assessments of this class, along with chapter 4 of the Ministry Greenhouse text (“What are the Goals of Your Internship?”) will provide guidance for constructing the student’s Development Plan. Specific instructions and guidelines are available on BlueQuill. See Course Schedule for due date.

6. **Spiritual Discipline Practice (graded through Reflection Group forums)**
Students will choose at least one spiritual discipline to practice during the semester. Selection and progress will be discussed through the Reflection Group forums. Specific instructions and guidelines are available on BlueQuill.
7. Spiritual Mentor (optional, 5% Extra Credit)

A Spiritual Mentor differs from a Field Mentor. Your Field Mentor fills the role required to supervise and support you through your ministry experience in Field Study. At times that role may include mentoring you spiritually, but it is not a Field Mentor’s primary responsibility. It is strongly suggested that you find a Spiritual Mentor to meet with in addition to your Field Mentor. A Spiritual Mentor’s purpose is to help keep your mind, body, and spirit closely connected to Jesus Christ, to help you balance the demands of family, studies, and ministry, and to walk with you as you do it. In order to receive extra credit for having a Spiritual Mentor you must meet with them at least once per month, but you may meet more often if you both agree to do so. You may meet by phone, Skype, or in person. If you would like a list of pastors who have been trained as Spiritual Mentors, and are waiting for an Ashland Theological Seminary student to contact them to be their Spiritual Mentor, contact the Field Education Office and request our list.

To receive extra credit for meeting with your Spiritual Mentor, submit a 1-2 page reflection recording your Spiritual Mentor’s name, their contact information, the dates you met, and the benefits you received from meeting with your Spiritual Mentor this semester. Points will be awarded based on number of meetings and quality of reflection.

See Course Schedule for due date.

V. Recommendations for Lifelong Learning

Like a tree, to stop growing is to begin dying. Students can look forward to lives spent strengthening their Core Identity in Christ, building their Christ-like Character, focusing their Calling, and honing their Competencies. And nowhere does this happen more fully, more truly, than in the trenches and crossfire of real-life ministry. It is the goal of this course to help the student begin to form patterns of experiencing, reflecting, and sharing their life and service which will help them continue to learn and grow as followers of Christ and leaders of His people.

VI. Seminary Guidelines

A. ATS Academic Integrity Policy
Ashland Theological Seminary expects each student to uphold the Seminary’s core value of academic excellence by contributing to an environment that is both challenging and supportive. In such an environment a student will neither seek nor offer improper assistance. All students have an obligation to be forthright in their academic endeavors and to respect ethical standards. The work that one submits for academic evaluation must be one’s own, unless an instructor expressly permits certain types of collaboration. Academic integrity requires that each student will use one’s own capabilities to achieve one’s fullest potential and will neither offer nor accept aid that is not in keeping with regularly accepted standards of academic integrity. Failure to conform to this conduct shall constitute academic dishonesty. The full Academic Integrity Policy statement may be found in the Student Handbook.

B. Academic Support Services
If you need assistance with writing projects for your coursework, contact the ATS Academic Support Center. The center provides free sessions with a peer consultant who can help you with all of your concerns about academic support including writing, critical thinking, documentation, reading skills, study skills, test taking skills, time management. Contact the center if you have a question about how to complete your assignment, if you have documentation questions, or if you would like to have your paper evaluated for areas needing improvement. The ATS Academic Support Center can be reached at 419-289-5162 or by e-mail at atswc@ashland.edu.

C. Students with Disabilities
Ashland University makes every effort to comply with the Americans with Disabilities Act. Students who have a specific physical, psychiatric or learning disability and require accommodations are encouraged to inform their instructors of their needs early in the semester so that learning needs can be appropriately met. It is the student’s responsibility to document the disability with Disability Services in The Center for Academic Support on the 7th floor of the Ashland University Library, 419-289-5904.
