

Non-denominational church in North East Ohio is looking for a full-time pastor. Our present pastor will be transitioning to another position and our goal is to provide as positive of a transition for the church as possible. We will share more information with interested applicants but are not including the church details in this posting. We are looking for someone with passion and a vision for outreach and missions. Our theology is conservative in essentials (Evangelical in the original meaning) but we have wide variety in non-essential areas. This is reflected in our leadership team's background which is varied including Vineyard, Christian Church, Charismatic, Roman Catholic and Disciples of Christ. If you would like to begin a dialogue, please contact clvsewell@gmail.com.
