

Position Title: Clinical Therapist

Opportunity Location: The Village Network Mount Vernon, Ohio (Knox County)

Summary of Position:

- Provide behavioral health services. This includes assessing a client's therapeutic needs/strengths and establishing a therapeutic relationship while utilizing interventions that will enhance his overall functioning.
- Ability to meet agency standards and productivity by completing appropriate documentation and paperwork including, but not limited to assessments, progress notes, reports and Individual Service Plans.
- Serve as a contact point for families, agencies, and court, engaging in correspondence and communicating information within the confines of The Village Network's confidentiality policies and procedures relative to clients' performances.
- Attend staff meetings, court hearings, etc. based on needs of clients.
- Clinical lead for cases by designing, writing, and coordinating individual treatment plans for each client. Responsibilities include, but are not limited to, reading/analyzing materials and reports from outside organizations, discussing with staff the progress of the client, revision of plans in order to ensure the best possible care, monitoring compliance with the plans, participate in team meetings, and attending group meetings to discuss treatment

How to Apply: Visit The Village Network's Careers webpage at <https://thevillagenetwork.org/careers/>
