

Licensed Clinical Therapists
Pathways Counseling and Growth Center, Elyria, OH

Pathways Counseling and Growth Center is a Faith Based Outpatient Community Mental Health Center serving Lorain County. We have an **immediate** need for Licensed Clinical Therapists to provide diagnostic assessment and individual counseling services to children and adults. These services may be provided with a hybrid model of telemedicine and or in office sessions. Flexible schedule. Day and evening hours required. Must have license to practice in Ohio and be able to come into office periodically for specified job responsibilities. Please send resume to rlasecki@pathwayscounselingcenter.com or call Ruthie Lasecki at 330-289-8442
