Supervisor name/license _____

Supervisor E-mail _____

Supervisor address² _____

City _____ State _____ Zip _____ Phone _____

¹Necessary if the person granting permission for the field experience is different than the supervisor.

² If different from agency contact information.

This is an agreement between the Clinical Mental Health Counseling (CMHC) Program of Ashland Theological Seminary, 910 Center St., Ashland, OH 44805, 419-289-5472, and the host site for the student's Internship. **NOTE:** *Internship guidelines from the Ohio Counselor, Social Worker, and Marriage & Family Therapist Board are described, primarily, in OAC section 4757-13-01, as well as in OAC section 4757-17-01.* The Seminary and agency agree,

1. STUDENT RESPONSIBILITIES

- a. Students pursuing licensure must **file the Professional Counselor Training Supervision Agreement form** with the Counselor, Social Worker, and Marriage & Family Therapist Board at the beginning of the Internship, to obtain Counselor Trainee (C.T.) status.
- b. **To meet CMHC and licensure requirements** for the internship,
 - i. Students pursuing Ohio licensure must complete **no less than 600 clock hours** in the Internship (**no less than 240 hours of direct service**)
 - ii. Students will log their hours on the **Logsheet of Hours** provided by the program and present this for review and signature by the supervisor each semester.
 - iii. Students are responsible for providing the supervisor with the appropriate evaluation form (**Field Supervisor Evaluation of Student form**) **at the beginning of each semester** and to submit the completed and signed form (along with the logsheet) to the program by the due date.
 - iv. Students are expected to conduct themselves in a **professional manner** regarding all aspects of the internship experience.
- c. **Scheduling:** Scheduling will be based on agency, student, and client needs, with vacations and breaks following the agency, not the seminary, calendar.

- d. **Malpractice insurance:** Students are required to purchase student malpractice insurance **prior to beginning** their internship and provide proof of coverage to the program (and supervisor/agency if requested). Students are required to **maintain coverage** throughout the internship experience.
- e. **Ongoing enrollment in internship:** The student must remain enrolled in an internship section (and maintain CT status with the State), attend internship classes and complete all class assignments until all internship requirements are met.
- f. **Other degree requirements:** Students are expected to **devote sufficient time** to all degree requirements to ensure their completion.

2. AGENCY/SUPERVISOR RESPONSIBILITIES

- a. The agency/supervisor will **provide a setting, clients, and necessary support** for students.
 - i. A minimum of 240 hours must be in **direct client service** (i.e., counseling-related activities such as sitting in on counseling sessions, individual counseling with a client, marital/family/group counseling, etc.). An additional program requirement is that students have opportunity to **work with groups** at some point in their internship experience.
 - ii. The remaining hours that comprise the 600 hour internship experience will be in **indirect counselor-related activities**. "Indirect" activities include chart review, attending staff meetings, documentation, research activities, consultations, and the like.
- b. The agency/supervisor will **provide orientation and familiarization with policies and procedures**, including attendance at staff training, and interaction with staff when possible.
- c. The agency/supervisor will **provide clinically, ethically, and legally sound supervision**.
 - i. The supervisor must be a **Professional Clinical Counselor with supervising counselor status (PCC-S)**.
 - ii. **Weekly supervision sessions** shall be provided with **no less than 1 hour** of face-to-face supervision to every 20 hours of service (Direct and Indirect). The supervision may be individual or triadic (composed of one supervisor and 2 Counselor Trainees). Additionally, as required by the Council for Accreditation of Counseling and Related Educational Programs (CACREP Standards, Section III.G.5), internship students must have the **opportunity to receive either live supervision or videotaping capability of sessions that may be reviewed by their supervisor**.
 - iii. The supervisor will submit **semesterly evaluations** on the student to the program on provided forms (between 5 and 10 minutes to complete). Supervisors will also review and sign **logsheets** completed by students. The **student is responsible** for providing the supervisor with the appropriate forms at the required times and to submit them to the program by the due date.
- d. The agency/supervisor is **not expected to pay the student** (although it may at its discretion). The student is **not expected to pay for supervision** unless agreed upon in writing. The agency/supervisor may collect fees from clients the student counsels, in accordance with state law.
- e. The agency/supervisor will **notify the CMHC program internship coordinator** if the student is terminated from agency counseling for any reason. Whenever possible, the agency/supervisor will notify the internship coordinator prior to such termination.

3. **CLINICAL MENTAL HEALTH COUNSELING PROGRAM RESPONSIBILITIES**

- a. The program will **equip the student** with the knowledge, skills, professional abilities and other expertise needed for the internship.
- b. The program will **oversee the student’s academic progress** and notify the agency if the student is no longer enrolled or in good standing. The program may withdraw a student from the internship for any reasonable cause, following discussion between all parties affected.
- c. The internship coordinator, Dr. Yvonne Glass, LPCC-S, serves as the **primary contact person** to the agency and/or supervisors.
- d. The program will **respect the confidential nature** of all client-related information.
- e. The program shall provide evaluation forms, on a periodic basis, to be used in assessing the student’s work and progress.
- f. Contact will be made with the supervisor by internship class small group facilitators as a means of monitoring student progress and discussing any concerns the supervisor may be encountering with the student (i.e., formative evaluation) prior to the semesterly evaluation (i.e., summative evaluation).

4. **NOTIFICATION** - Contact between parties shall be made using the names, addresses, and/or phone numbers listed in this affiliation agreement.

5. **ACCEPTANCE** - The terms of this agreement are accepted by:

SIGNATURES:

CMHC Student _____ Date: _____

Field Supervisor/credentials _____ Date: _____

Agency Representative* _____ Date: _____

Internship Coordinator _____ Date: _____

Yvonne N. Glass, Ph.D., LPCC-S

Note: The supervisor and agency representative will be provided a copy of the signed agreement once all parties have signed and the agreement has been received by the Clinical Mental Health Counseling Program.
