First Christian Church (Disciples of Christ) at 200 West Third Street. Of Mansfield, Ohio Is Seeking a Part-Time Minister

First Christian Church of Mansfield is a church located in the heart of the city. Our congregation continues to build off its historic past while seeking new and innovative ways to share the timeless good news of Christ within a fast-changing world. Our church is a vibrant congregation that has a number of community outreach ministries, like the monthly breakfasts that are regularly attended by local low-income families and individuals. Attendees at the breakfast consider Mansfield First Christian to be “their” church and the prayer requests from the breakfast attendees are included in the congregation’s prayer list. The Bike Ministry provides bikes to under privileged individuals. Those gifted a bicycle gives them transportation to and from work. Worship services are provided at nursing homes in the area by members. We are needing a pastor for every Sunday and possibly one day per week as needed.

Were a small congregation of energetic, loving, caring, and giving people who like to participate in religious services. We are an older congregation but have a very religious base.
