COMMUTER LODGING

Commuter students make up a vast majority of Ashland students. But sometimes you just don't want to make that drive home after a night class. That is why we offer commuter lodging options.

Schmeidt Hall and the Rodkey Apartments each offer affordable, comfortable and convenient overnight housing for commuter students and guests of the Seminary. They offer two-bedroom apartments with one king bed in each bedroom and private one-bedroom apartments with a queen bed. Reservations can be made in advance for a one-night stay or book one or more nights for the entire Semester.

Apartments include: Furnished living room with television and wireless internet; bedding/towels; equipped kitchen with appliances, coffee maker, toaster, dishes, utensils and cookware.
